About Us

In the past 8 years, Dismac Protective Products has been manufacturing and exporting disposable protective products for the food, medical, safety, spa beauty industries and supplying personal safety workwear in a wide variety of markets.

We offer our global customers a broad range of quality products to cover a variety of hand-protection and body-protection needs.

As a growing brand in China, we are cooperating with different types of customers in markets: importers, brand manufacturers, distributors, food factories, hospitals, clinics, beauty spa supply companies, gas stations and airline catering service companies.

We are capable to help you grow the business and provide suitable product solution to your clients.

We work in accordance to ISO 9001, ISO 13485, CE, FDA guidelines. Till now, we have invested 4 factories, which separately produce Disposable Paper, Plastic and Non Woven Items. These products are used widely in Food Processing, Hotel & Restaurant, Medical, Health care, Labor Safety, SPA & Beauty Industries.
